THE PROUD INDIAN TV BRAND

Onfinity Technologies' smart TVs turn the reel to real, sound to motion, and perfection to action. A sleek and frameless TV flocked with an array of innovative features, multiple ports' connectivity, & not to forget the 20Watt speaker with surround sound, it ensures you get the real experiential home theatre feel.

4K / UHD TV

55" / 65" / 75" / 86" / 98"

4K Resolution

Experience the clearer, sharper and smarter ultra-high definition view with stunning, true-to-life detail and finest color quality so everything you watch is incredibly realistic.

Slim & Frameless Design

Our true slim frame technology reduces the thickness of the TV frame so you could further broaden your view that elevates the conventional viewing experience and thus provide an outstanding performance.

Full HD TV

32" / 43" / 50"

Experiential home-theatre feel

Experience true surround sound with embedded 20W Dolby speakers that deliver an enhanced audio with a wider sound field. This sound system creates a multi-dimensional sound that immerses you in deep, rich sound thereby giving you a whole new entertainment experience.

Multiple Ports Connectivity

Explore the convenience of USB, AV and HDMI port connectivity which offers you faster and easier access to multimedia.
